With smooth roads, challenging climbs and exciting hairpin bends, Majorca is a cyclist's heaven. It's the best way to enjoy the scenery and, thanks to the Mediterranean weather, there's less chance of getting caught in the rain.

Home to **world-famous climbs like Cap Formentor and Sa Calobra**, Majorca has something for everyone, with a **choice of routes for all abilities**. If you want a break from spending your time on two wheels, **cycle in the day and enjoy your evenings sampling authentic cuisine and soaking up local culture**.

Like the sound of a cycling holiday? We've got the perfect one for you.
